Dear Mr. Terreni:

In referencing the document from the ORS requesting your changing the required bond for small-regulated water companies; please keep our company advised of all pertinent information regarding their requests.

Lake Princeton Water Company is a water provider only with 13 customers. Any required increase in purchasing of a Surety Bond would place undue financial on the company which in turn would lead to higher fees for the customers.

Please send all future information to: Sarah K. Black, 121 S. Chateau Dr., West Columbia, SC 29170.

Respectfully,

*Sarah K. Black*

Sarah K. Black  
Vice President, Secretary & Treasurer  
Lake Princeton Water Co.
